What does it involve to be a Tiny Forest Tree Keeper?

Volunteering as a Tree Keeper is a great chance to get more involved in your Tiny Forest's development and track the amazing environmental impact of the site.

What are the different ways that Tree Keepers can get involved?

- Tiny Forest Maintenance
- Community Engagement
- Science

Achieved by spending just a few hours a month in your Tiny Forest!

Based on the time you have available, and your area of interest, you can tailor your Tree Keeper activities. And all through your Tree Keeper journey, Earthwatch will support you with the tools, training and resources needed to deliver your role.

If becoming a Tree Keeper excites you, then email us at tinyforest@earthwatch.org.uk
